

Cirencester College Learner Bursary (CCLB)

Bursary Policy 2022/24

Cirencester College Learner Bursary funds are for young people who need financial support to help them access and remain in further education.

The funds are distributed in accordance to the Education and Skills Funding Agency (ESFA) guidance.

The College administers the following schemes:

- 16-19 Bursary fund
- Free Meals in Further Education
- 19+ Loan Bursary fund (for students who have taken out an Advanced Learner Loan)

Funding is allocated to students who demonstrate a financial barrier which impacts on their learning. All funds are based on financial eligibility criteria which is detailed on the application form.

16 – 19 Bursary Fund

There are 2 types of 16-19 bursaries:

Vulnerable Bursary

This bursary is for students who are considered to be the most in need and to help relieve some of the financial pressures they may have with attending College. This bursary can pay up to £1,200 to a student studying a course lasting 30 weeks or more (pro-rata payments for less than 30 weeks).

IMPORTANT NOTE: The full amount is not guaranteed, as in some cases, a young person might meet the eligibility criteria but not have an actual financial need in order to continue to participate in education. This might be because their financial needs are already met and/or they have little or no educational-related costs (eg. no travel costs or course related costs). In these cases, there may be a possibility of no award or only a partial award.

To be eligible for this bursary students must be aged 16-18 on 31st August of the relevant academic year and must either be:

- In care or a care leaver
- Receiving Income Support or Universal Credit in their own name because they are financially supporting themselves or someone who is dependent on them and living with you such as a child or partner
- Receiving Disability Living Allowance (DLA) AND either Employment & Support Allowance (ESA) or Universal Credit in their own name
- Receiving Personal Independence Payments (PIP) AND either Employment & Support Allowance (ESA) or Universal Credit in their own name

Students aged 19 or over are NOT eligible for the Vulnerable Bursary.
