The Hub

Transport Enquiries

If you would like to know more about transport to College including routes, timetables and costs, call in to Student Journey in the Hub and talk to our Stagecoach Advisor.

Admissions Enquiries

If you have any enquiries about joining Cirencester College, please call in to Student Journey in the Hub.

Apprenticeships

Room N204

If you would like to find out about apprenticeships and how to apply, meet our staff in N204.

Tell us what you think...

We are always keen to find out which areas we can improve upon and when we are getting things right. We will be sending you a short feedback questionnaire by email when our Open Day finishes today, we would welcome your comments.

Gloucestershire Digital Skills Centre and T-level Building

This week, the keys were handed over for the new **Gloucestershire Digital Skills Building**. The building has been funded by GFirst, Gloucestershire's Local Enterprise Partnership, from the Government's 'Getting Building Fund' programme. This exciting new centre will be meeting the future needs of the students by equipping them with the most up-to-date resources, equipment and skills. Please take a moment whilst you are at the College to have a look around these fantastic new flexible learning facilities.

Also, you can't help to notice the huge new structure going up at the front of the College, this will be our new **T-level Building**, which is due to open in late Autumn this year. Another massive commitment to our programme of investment in young people which will house the best facilities for our T-level programmes.

There is disabled access to all areas with lifts in buildings G, M, S, T, J and N
